Tel Aviv, Israel

PROFESSIONAL SUMMARY

Customer Success professional with 3 years of B2B partner management at GO-OUT, progressing from frontline support to leading a 7-person team across Israel and Greece. Drove onboarding, 24/7 technical escalations, and retention for high-stakes live-event partners, including real-time incident resolution during sold-out stadium events.

EXPERIENCE

Team Lead - Partnerships & Support

2025 - 2026

GO-OUT

- Led 7-person team across Israel and Greece, owning partner retention and support ops
- Resolved critical payment-gateway failures during sold-out stadium events in real time
- Used SQL and Python to surface retention risk signals and guide account decisions
- Authored PRDs for payment and seating integrations, aligning product and operations

Partnership Manager (Customer Success)

2023 - 2025

GO-OUT

- Owned B2B onboarding and 24/7 technical support for venue and event organizer partners
- Served as first point of contact during live events, resolving incidents under pressure
- Managed Seats.io seating configurations for major Israeli football stadiums
- Promoted from Customer Support within months, recognising consistent performance

Customer Support

2023 - 2023

GO-OUT

- Handled inbound partner and end-user queries across ticketing and event operations
- Promoted to Partnership Manager within months based on performance and ownership
